Review of important events

The Company has a loan agreement with its immediate parent, Phoenicia Malta Limited. As a result of the pandemic and measures taken by the Governments, the hotel, owned by Phoenicia Malta Limited and operated by Phoenicia Hotel Company Limited had experienced curtailment of its business since March 2020, and due to the health and safety risk to our guests and staff resulting from COVID-19, the hotel could not accommodate hotel guests at that time, thus not being able to generate revenue since then. Following the lifting of legal notices by the Government, the Hotel has restarted its food and beverage operations during June, and as of 1 July 2020, the hotel has been welcoming guests to the hotel and its outlets. As a result of this, the Group, as a combined entity has been ahead of the projections which were originally prepared following the outbreak of COVID-19 and which have been referred to in the latest set of audited financial statements.

The Group continues to be in receipt of various COVID-19 business assistance programmes in order to mitigate against the adverse financial impact of this pandemic on the Company, and to safeguard its future wellbeing and that of its bondholder and other stakeholders.

The Group has obtained additional funding for liquidity purposes through the BOV MDB Covid-19 Assist scheme.

The Directors continue to monitor the situation on an ongoing basis with a view to minimizing the impact of the COVID-19 pandemic on the Company, and to continue ensuring the safety to its customers, employees and all stakeholders.
